SUMMARY : Under the artistic name of Mekouti, this talented and resourceful artist, painter and designer has established a gallery and mentored dozens of young artists over the past 16 years, gathered today at the Art Village AfroBantu, Mt Fébé, Yaoundé. His abstract, artistic style celebrates African Afrobantu traditions and is characterized by natural materials and vibrant colours. Mekouti has created over 100 works of art, shown in a catalogue of the last five years on the website. Mekouti has been teaching these art and traditions to younger generation for over 10 years, making installations and exhibiting them in the gallery, which is welcomed by traditional authorities who are moved to be communicate such visual knowledge to younger generations.
